

## **Free Meals**

All organisations in Further Education were required to make free meals available for all eligible students from September 2014.

The college offers free meals to students in certain circumstances, who are aged between 19 and 25 with an Education Health and Care Plan.

Students who are eligible for free meals will need their family's benefit or low income to be means tested. The scheme will also include vulnerable groups such as those (for example) who are looked after young people or are entitled to a bursary.

Students will be entitled to one meal a day on the days they attend college.

All students will need to complete a Bursary Application form available from College.

If you have any questions please feel free to contact the College via the normal channels.
